SUPPORT BRACKET WK SS

APPLICATION

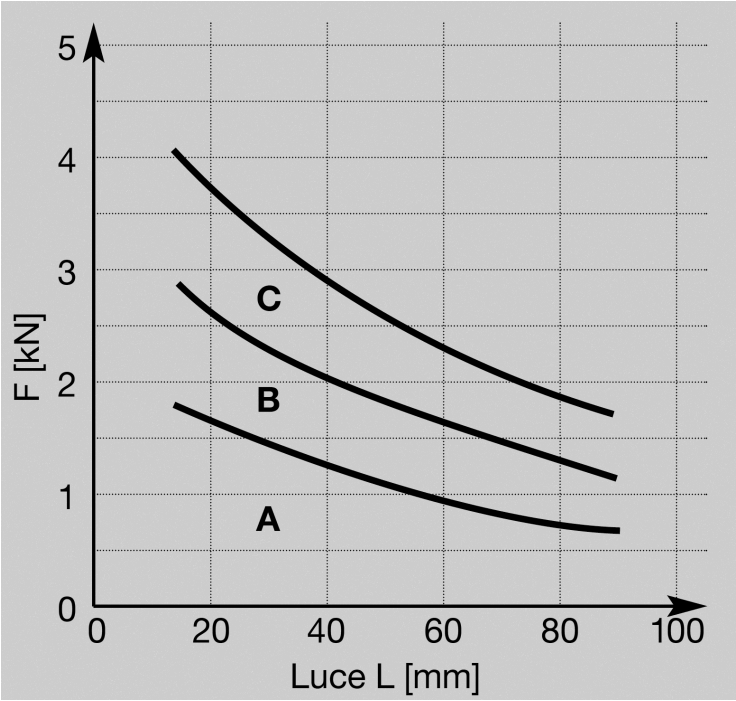

May be used for wall, floor and overhead pipe installations. Depending on the site, pipes may lie on the support bracket (U bolt), be arranged in vertical position or be suspended (grub screws).

In combination with bolted-on channels, the support brackets offer a wide range of possibilities for cantilever arrangements. In addition, the load capacity of crossbars can be increased by fixing them onto Support Brackets.

TECHNICAL DATA

Material: Stainless steel A4.

SUPPORT BRACKET 100/100

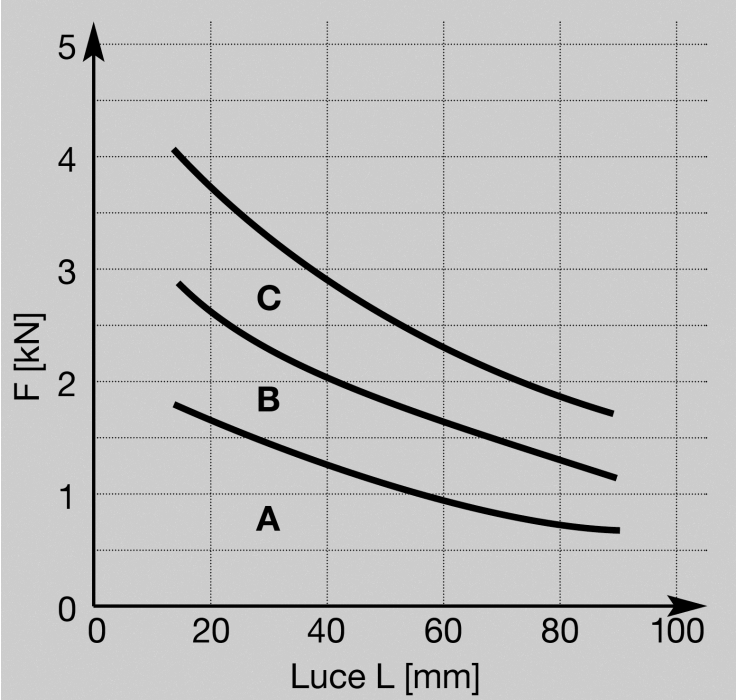

PROSYSTEM ITALIA SRL
