UNIVERSAL HOLDER UNI WITH FIXING STRAP

APPLICATION

Suitable for fixing to pipes up to DN 2 1/2". For larger diameters, we recommend using the universal plate without strapping and purchasing the necessary rolls of strapping separately.

It can be used for mounting pipes fixed vertically or horizontally.

Complete with plexiglass cover and strap.

The strap must wrap around the pipe and be inserted into the appropriate tabs on the plate. Turning the central screw anticlockwise locks the plate to the pipe.

TECHNICAL DATA

Material:

- Plate: galvanised or stainless steel;

- Strap: aluminium and stainless steel.

Dimensions: 105.5 x 56 x 12 mm

Plate space 100 * 50 mm
